

## **Quiz: “Get to Know Yourself” (Masculinity and Femininity)**

According to the widespread stereotype, man is a creature of strength, courage, intelligence. On the other hand, women are tender, impressionable, sensitive. Meanwhile, in reality this varies, and today it is becoming harder and harder to meet a real man or a 100% feminine woman. We offer you a simple test that will help you figure out the qualities of your mind, and to become assured of the presence in you of what is usually called subconscious masculinity or femininity.
