

## English Translation of the Discussion Questions for Lesson 2, Day 2

### Group 1: *Questions 1-5*

- Using your vocabulary lists, identify the qualities/character traits that questions 1-8 target, in the form of nouns.
  - You have heard about the similarity between American and Russian traditional ideas of gender. Identify those questions (notice that all the questions here are written in the form of statements) that express a behavior of view of a person that is characterized by traditional masculinity, and those that are written from the point of view of a person that is characterized by traditional femininity. Be prepared to present the qualities to the rest of the class according to the model, "Как нам кажется, в первом вопросе речь идет о силе. Поэтому в 1-м вопросе, речь идет о мужественности" (We believe that in question #1, the author is speaking about physical strength. Therefore, in question #1 the author is speaking about masculinity.)
- 

### Group 2: *Questions 6-10*

- Using your vocabulary lists, identify the qualities/character traits that questions 6-10 target, in the form of nouns.
  - You have heard about the similarity between American and Russian traditional ideas of gender. Identify those questions (notice that all the questions here are written in the form of statements) that express a behavior of view of a person that is characterized by traditional masculinity, and those that are written from the point of view of a person that is characterized by traditional femininity. Be prepared to present the qualities to the rest of the class according to the model, "Как нам кажется, в первом вопросе речь идет о силе. Поэтому в 1-м вопросе, речь идет о мужественности" (We believe that in question #1, the author is speaking about physical strength. Therefore, in question #1 the author is speaking about masculinity.)
- 

### Group 3: *Questions 11-15*

- Using your vocabulary lists, identify the qualities/character traits that questions 11-15 target, in the form of nouns.
  - You have heard about the similarity between American and Russian traditional ideas of gender. Identify those questions (notice that all the questions here are written in the form of statements) that express a behavior of view of a person that is characterized by traditional masculinity, and those that are written from the point of view of a person that is characterized by traditional femininity. Be prepared to present the qualities to the rest of the class according to the model, "Как нам кажется, в первом вопросе речь идет о силе. Поэтому в 1-м вопросе, речь идет о мужественности" (We believe that in question #1, the author is speaking about physical strength. Therefore, in question #1 the author is speaking about masculinity.)
