

## **Quiz on Masculinity and Femininity**

### **English Translation**

According to the widespread stereotype, man is a creature of strength, courage, intelligence. On the other hand, the woman is tender, impressionable, sensitive. Meanwhile, in reality it varies, and today it is becoming harder and harder to meet a real man or a 100% feminine woman. We offer you one more simple test, which will help you figure out the qualities of your mind, and to become assured of the presence of what is usually called subconscious masculinity or femininity.
