Swing Kids Video

- 1. What groups are represented in this video?**
- 2. What determined who were members of each group?**
- 3. What were the characteristics of each group?**
- 4. In the beginning of the video, which members of the small group of friends were also members of other groups?**
- 5. What other groups did each of these individuals belong to?**
- 6. In the beginning, which group membership had first priority in each friend's life?**
- 7. What had dominance for each of these individuals when we were first introduced to them: individual identity, group identity, or national identity?**
- 8. By the end of the video, which members of the friends' group had changed their "priority group"?**
- 9. Did these changes show a change in individual identity or group identity?**
- 10. Were these groups universal or culture-linked?**
