

Guiding Questions for the Socratic Seminar on Cuba

1. What are the pros and cons of the embargo?
2. Has the embargo achieved its original goals?
3. Should the United States be able to restrict the travel of its citizens?
4. What will the relationship between the United States and Cuba be like in 20 years after Castro is no longer the leader?
5. The United States trades with China, a communist country. Why then, doesn't it trade with Cuba?
