

Maximizing Study Abroad Bulk Order Form

Maximizing Study Abroad: A Students' Guide to Strategies for Language and Culture Learning and Use

Aimed at students who want to make the most of their study abroad experience, this flexible and user-friendly guide helps students identify and use a wide variety of language and culture learning strategies. The Guide begins with three inventories designed to help students be more aware of how they currently learn language and culture. The following sections of the guide provide students with tools and creative activities that they can use to enhance their favored learning strategies and try out unfamiliar ones. Students can use this guide as they prepare for study abroad, during their experience, and once they return.

Maximizing Study Abroad Students' Guide Order Form	Quantity	Price Per Book	Total Cost of Books
