

CARLA Summer Institutes 2024

29th annual professional development program
for language teachers

Sponsored by the Center for Advanced Research on Language Acquisition

The Center for Advanced Research on Language Acquisition (CARLA) at the University of Minnesota provides **high-quality professional development for language teachers that links research and theory with practical applications for the classroom.** In 2024, CARLA will offer ten online (asynchronous and synchronous) institutes and four in-person institutes (held on the University of Minnesota campus in Minneapolis).

Register by February 23 to save \$100!

Priority Teacher Professional Development Scholarship Program

The *Priority Teacher Professional Development Scholarship* program is designed to promote equity and access to affordable professional development for world language educators who are currently teaching a **Less Commonly Taught Language** in the United States and/or are currently teaching at a **Community College, Historically Black College/University, or postsecondary [Minority Serving Institution](#)** in the United States. The program provides funding for selected teachers in these categories to attend a CARLA Summer Institute for no charge.
